

Bishop's Study Day 2018

Saturday 15th September
at St Luke's church Birchwood.

Bishop Nicholas led us on the theme of:

'Telling the Story of God's Love'

During the day we considered the preaching/
communicating the gospel aspect of our
ministry.

The passage Bishop Nicholas has chosen for
the day was 2 Corinthians chapters 3 and 4.

Session 1: **Exploring Voice.** Reflecting on
those who may have been our 'preaching
parents' and using our own voice.

Session 2: **Paul's story of love, our story of
love.** During this session we twice listened to
a reading of 2 Cor. 3 & 4, before considering
the texts and in what way it spoke to each of
us.

Session 3: **The Story of love we have to tell
in the Diocese of Lincoln.** What are we trying
to convince people of in our Diocese?

Session 4: **Gathering the stories and
weaving our response.** What is our
experience of Reader ministry past, present
and future?

It was a thought provoking and challenging
study day.

Thanks to Bishop Nicholas and Warden Sally
Buck. Also our hosts at St Luke's for the food
and hospitality!
